indirect contempt of court, quoting Judge Tait's criticism that the plank was loosely drawn and was an attack on the judicial system.

"I shall commence to-day," he said, "to demand that Mr. Tait withdraw from his position in regard to these planks in our platform. It is slanderous and libelous."

In the course of his remarks Mr. Bryan repeated his pledge that if elected in the would not be a candidate for a second term.

Returning to Detroit shortly after 6 o'clock, Mr. Bryan addressed a monster Democratic raily in the Light Guard Armory. Outside there were thousands whose desire for admission availed them nothing, as the building was packed to the doors, but in order not to entirely disappoint them he gave them a short overflow talk. In both addresses he compared the platforms of the two parties, and went over practically the same ground he did in Ann Arbor.

Mr. Bryan left to-night at 10:30 for Arbor.

### REBUKES THE PRESIDENT

Tells Him Misrepresentation of Democratic Party Will Not Be Permitted.

DETROIT, MICH., September 22.—
The remarkable spectacle of a presidential candidate rebuiking the Chief Executive of the nation for making statements deemed to be unjustified was witnessed to-day, when William J. Bryan, in a telegram to President Roosevelt, defended Governor Haskell, of Oklahoma, treasurer of the Democratic National Committee, against the charge that he had unlawful connections with the Standard Oil Company. Mr. Bryan serves notice on the President that, as the candidate of the Democratic party, "I shall not permit any responsible member of the Republican organization to misrepresent the Democratic party in the present campaign."

The letter concludes with the statement that the Democratic party is

Mr. Brynn's Telegram,
The telegram is as follows:
"Hon. Theodore Roosevelt, President of the United States:
"Dear Sir.—In a statement given out by you yesterday and published in this morning's paper you indorse a charge made gainst Governor Haskell, of Oklahoma, to the effect that he was once in the employ of the Standard Oil Company, and as such employe was connected with an attempt to bribe or influence Attorney-General Monnett, of Ohlo, to dismiss suits pending against the Standard Oil Company. In Indorsing the charge you attack the Democratic party and its randidates, saying that Governor Haskell stands high in the councils of Mr. Bryan and is the treasurer of his national campaign committee.' And you add that 'the publication of this correspondence not merely justifies in striking fashiog the action of the administration, but also casts a curious side light on the attacks made upon the administration, but also casts a curious of Mr. Bryan and in the course of Mr. Bryan scampaign.

Demands the Proof.

Tour charge is so serious that I cannot glow it to go unnoticed. Governor Haskell has denied shat he was ever employed by the standard Oil Company in any capacity or was ever connected in any way whatever with it, or with the transaction upon which your charge is based. Governor Haskell demanded an investigation at the time the charge was first made, offering to appear and teatify, and he demands an investigation now.

If agree with you that if Governor Haskell is guilty as charged he is unfit to be connected with the Democratic National Committee, and I am sure you will agree with me that if he is innocent he deserves to be exonerated from so damning an accusation.

'As the selection of Governor Haskell as chairman of committee on resolutions at Denver and also as the treasurer of the Democratic National Committee had my approval and indorsement, I feel it my duty to demand an immediate investigation of a charge against him indorsed by the President of the United Lates.

"Your sing position, as well as your sense of justice, would prevent your giving sanction and circulation to such a charge without proof, and I respectfully request, therefore, that you layer no proof, I request that you indicate a method by which the truth may be ascertained.

"Without consulting Mr. Haskell. Demands the Proof.

I request that you indicate a method by which the truth may be ascertained.

"Without consulting Mr. Haskell, I will agree that he will appear for investigation before any tribunal, public or private, which you may indicate, and I will further agree that his connection with the national committee and with this campaign shall cease in the event that the decision of such tribunal connects him in any way with this charge, or in case you, after an investigation of the facts, say that you believe him guilty of the charges made.

Not Permit Mayrenceentation.

Not Permit Misrepresentation. "As the candidate of the Demo-cratic party, I shall not permit any responsible member of the Republi-van organization to misrepresent the utilitude of the Democratic par-
